
President's Report:

2009/2010 has been another successful year for our small club with some new members joining us and our nucleus of long time runners still as hard core as ever. The club continues to support young athletes through sponsorship of club and QA fees where applicable, our hope being that these kids will make running an essential and integral part of their everyday lives and do so while ever they remain physically active.

Our Thursday night training sessions continue from strength to strength with large numbers every week in two informal groups of different intensity both following the training regime determined by our principal coach, Dave. On the matter of coaching, Dave is now accredited with Athletics Australia while Caroline and Francis have now both completed their Level 1 coaching courses and will be nationally accredited this year.

The club's Handicap Series has been in place since 2003 and was changed from its original 8k format to two series of 5k and 10k from 2010. Interestingly, at this stage there are more runners in the shorter event than the 10k and we continue to get big numbers in the monthly 3k time trial. This might indicate member's preference for shorter rather than longer events and is something we'll monitor over time and respond to accordingly.

Of course, our club still has its ultra nuts and will this year field two teams of 4 runners in the 96k Kokoda Challenge event in July. Good luck to Geoff Williams, Francis Harvey, Sean Griffin and Peter McKee in our Gold team, and our (senior citizens) Black team of Peter Ferris, Steve Hayes, Mark Parsonson and Bruce Cook. We hope our senior ambassadors can break the over 50's course record this year and hopefully not break anything else in the effort.

My personal thanks to everyone who has assisted at the Glasshouse events with de/marketing trails and at checkpoints. Not only does this continue to be our best source of fund raising but also gives us runners a great opportunity to put something back into the sport we enjoy.

Finally, if you have any ideas or suggestions for improving your club, taking new challenges, social activities, new courses or events let the committee know.

Treasurer's Report:
