

# CABOOLTURE ROAD RUNNERS INC

**GENERAL MEETING OF CABOOLTURE ROAD RUNNER'S INC. HELD AT TOORBUL ON SUNDAY 4 SEPTEMBER 2016.**

**Meeting Commenced:** 8: 51 am

**Present:** Robyn Griffin  
Peter McKee,  
Matthew Klibbe  
Sara Wasson

**Apologies:** Kelly Klibbe  
Sean Griffin

**General Business:** Uniform Update – Votes in person at training were 21 to 8 in favour of the Zig Zag design. Online voting was 7 to 4 in favour of the Zig Zag design. Total voting was therefore 28 to 12 in favour of the Zig Zag design. The Zig Zag design has therefore been selected.

The current balance of club funds is \$11, 504.42. \$1200 was received from sponsors in sponsorship of the new uniform design. \$1500 was received for volunteering roles at the Flinder's Tour. Outgoing funds were minor and included race reimbursements from last season and other minor expenses.

The approximate costing of the new uniform singlets is around \$38-\$40 per singlet. The club will subsidise \$15 of this cost for all members with members who have

volunteered at Flinder's Tour or the Glasshouse 100 receiving an additional \$10 subsidy (\$25 in total).

Given the growth in club membership it is not financially sustainable to issue race reimbursements for members who volunteered at the Flinder's Tour and Glasshouse 100 this year. Members who volunteered at these events will receive an additional subsidy towards their new club uniforms however, as stated above.

Glasshouse 100: Verbal agreement was reached with club members and race organisers to man two checkpoints for this event for which the club will receive an additional \$1500 income. Robyn Griffin will prepare and issue an invoice for this.

New lighting installed at the Centenary Lakes Athletics track. Matt will make enquires with Caboolture Little Athletics as to new operating procedures for the lighting as well as any changes in expense.

Options for the club Christmas party will be explored. A lunch booking at Sandstone Point Hotel will be investigated. Approximate numbers of attendees will be sought to aid with the process of booking enquiries. The level of club reimbursement for the Christmas party will be decided at the next Committee Meeting.

**Next Meeting:** Date to be advised.

**Meeting Closed :** 9:18am
